WELCOME TO CAMP GAN ISRAEL OF GREAT NECK!

WHO ARE WE?

Camp Gan Israel of Great Neck is part of the largest and fastest growing network of Jewish day camps in the world. Our greatest pride is to provide a fun and meaningful Jewish camp experience for children from diverse Jewish backgrounds. We are passionate about providing safe quality programming, and a rich and fulfilling summer experience for all of our campers. Our campers wait all year to come back to Gan Israel! From Mini Gan to Teen Camp, our campers enjoy a wide range of exciting activities and field trips in a warm, loving, Jewish-infused and exciting atmosphere.

No one puts more care into the care of your child.

Camp Gan Israel is much more than a physical break from the school routine. It's a comprehensive program designed to strengthen the body and soul. It provides your child with a rich and wholesome summer vacation of fun and excitement, along with friendship and meaningful Jewish educational experiences.

STAFF

Our staff is the real secret to our success. Our experienced counselors and teachers are known for their personal warmth and ability to care for each child as an individual. Many staff members return year after year, lending experience and continuity to all programs. Each counselor is a role model for our children, promising them friendships that will last forever!

CULTURE

Gan Israel campers are imbued with a deep sense of pride in their Jewish heritage and a love for the land of Israel. Weekly Judaic themes are taught through exciting activities, stories, songs, games and contests, which are all part of the unique CGI experience. Combined with group discussions and educational programs, these events bring to life the beauty and values of our tradition.

TRIPS ON THE GO

Camp Gan Israel's well known "Trip Days" are geared to the children's interests and feature excursions to many local attractions.

YOUR CHILD'S SAFETY

ATTENDANCE/CHILD ABSENCE:

Attendance is taken by our staff every morning. If you know that your child will be absent from camp, please notify the camp by emailing or messaging the division director, or by calling the office.

PEANUT, TREE NUT AND SESAME POLICY

We ask that no peanuts, tree nuts, or sesame be brought into our camp. We provide lunch and snack for all children, but in the event that your child does bring in food, it must be carefully checked for any of these ingredients. This means that the product cannot contain peanuts/tree nuts/sesame, and cannot have the following warnings: "may contain...", "processed in a facility...", and "manufactured on shared equipment..." Thank you for your help in keeping our campers safe!

BUSSING:

In order to assist parents with children in both divisions for drop-off and pick-up, CGI provides a shuttle bus at that will pick up and drop off older division children from the Mini Gan/Silverstein Hebrew Academy (Cuttermill) campus. The bus departs from Silverstein at 9:05 AM (Sharp) to take children from SHA to Temple Beth El & Chabad and brings children back for pickup at 3:30.

ILLNESS AND EMERGENCY:

Our staff members are all certified in First Aid and CPR, and follow the guidelines of the Nassau County Board of Health in approaching any illness or injury that occurs in camp. In case of any medical emergency requiring more than basic first aid, the parents/guardians will be immediately notified. If we cannot reach the parents, the emergency contact on file will be notified. After any incident or injury, parents will receive notice from the office. Parents may be asked to pick up their child from camp if deemed necessary, such as in the case of a child with fever or vomiting. Campers who are sick may return to camp after being fever free for 24 hours. Please do not bring in children who were ill the night before, as that puts all the other campers at risk of getting sick.
